Notwithstanding the foregoing, an appeal of the award of Attorneys' Fees and Costs shall not delay the Settlement Effective Date. If Plaintiffs appeal the award of the amount of Attorney's Fees and/or Costs, the difference between the amount awarded by the Court and the amount sought in appeal shall be held in trust by the Claims Administrator pending resolution of the appeal. Any and all Administration Costs or expenses of any kind which relate to or are occasioned by an appeal of the amount of Attorney Fees and/or Costs, including but not limited to the costs of maintaining and holding the amount in trust the amount in issue in any appeal as provided in the preceding sentence and the costs of any subsequent distribution of such amounts, will be paid solely by counsel for Plaintiffs to the Claims Administrator, and further including, but not limited to, costs and expenses related to continued maintenance of the Qualified Settlement Fund, any subsequent notices, communications, and/or distributions to Settlement Class Members, and/or any associated tasks or actions deemed advisable or necessary by the Claims Administrator. ### 3. RECITALS

- 3.1 On August 25, 2017, a putative Collective and Class Action Complaint was filed in the United States District Court for the Middle District of Tennessee. A First Amended Collective and Class Action Complaint was filed on April 12, 2019. A Second Amended Collective Action Complaint was filed on June 16, 2020, alleging the following causes of action against Defendants: (1) violation of the FLSA, (2) Tennessee common law fraud, (3) Tennessee common law negligent misrepresentation, (4) Tennessee common law unenforceable contract, (5) Tennessee common law unjust enrichment, (6) violation of the Federal Forced Labor statutes, (7) violation of Truth-in-Leasing Act, and (8) breach of contract. The Complaint prayed for various forms of relief, including certifying the FLSA action as a collective action pursuant to the FLSA; certifying the Rule 23 actions as a class action; enjoining Defendant from continuing its policies in alleged violation of applicable law; disgorgement of Defendants’ profits, reimbursement and compensation for alleged lost earnings; liquidated damages; attorneys’ fees; and costs and expenses.
- 3.2 On June 29, 2020, Defendants filed separate Answers to Plaintiffs’ Second Amended Complaint denying the claims in their entirety.
- 3.3 The Parties began to engage in discovery between the Parties as well as a small subset of discovery representatives related to the FLSA cause of action and conditional certification.
- 3.4 On April 24, 2019, the Court conditionally certified a FLSA collective action. On December 10, 2019, the Court ordered that notice be distributed to the potential members of the FLSA collective action. At the conclusion of the notice and opt-in period, there were 1,637 timely opt-ins. 84 opt-ins submitted late consent forms. 7 opt-ins have withdrawn their consent forms.

- 3.5 Following the conclusion of the opt-in period, the Parties continued to engage in extensive discovery, including representative discovery of a large subset of the FLSA opt-ins as ordered by the Court.
- 3.6 On November 18, 2020, the Parties attended mediation before established mediator Hunter Hughes. Although the Parties made progress, no settlement was agreed to because the Parties' respective settlement offers were too far apart. Settlement discussions ceased while discovery continued.
- 3.7 Following the unsuccessful mediation, the Parties continued to engage in extensive discovery, including Defendants producing substantial amounts of documents and data.
- 3.8 On July 27, 2021, the Court certified the remaining causes of action as a Rule 23 class action.
- 3.9 On October 26, 2021, after conducting extensive discovery and investigation, the Parties attended a second mediation before established mediator Hunter Hughes. The Parties made substantial progress with the assistance of the mediator and were able to reach an agreement in principle at the mediation. A Settlement Term Sheet was prepared and agreed to a few weeks later which contains the principal terms set forth in this Agreement. The Settlement Term Sheet is superseded and replaced by this Agreement.
- 3.10 The Defendants and their counsel strongly dispute the merits of the allegations in this Litigation and further maintain that the FLSA claim should be decertified as a collective action. Named Plaintiffs, Settlement Class Members and Class Counsel, however, strongly believe that the allegations are meritorious and that the FLSA claim is proper for collective action certification. The Parties represent that they have conducted a thorough investigation into the facts of this case, and Class Counsel have diligently pursued an investigation of the claims against Defendants, including, but not limited to, (1) propounding and responding to substantial written discovery as to the Parties and over 100 discovery representatives resulting in the production of extensive documentary and electronic discovery; (2) considering hundreds of thousands of pages of relevant documents and millions of data points; (3) researching applicable and analogous law and potential claims and defenses; (4) reviewing and analyzing revenue data; and (5) participated in numerous discovery related motions and hearings.
- 3.11 Named Plaintiffs and Class Counsel recognize the benefits of settlement to Settlement Class Members. Named Plaintiffs and Class Counsel acknowledge the expense and length of continued proceedings necessary to litigate this dispute through trial and any possible appeals. Named Plaintiffs and Class Counsel also have taken into account the uncertainty and risk of the outcome of further litigation, and the difficulties and delays inherent in such litigation including issues regarding decertification of the FLSA Collective Action and/or Rule 23 Classes, and summary judgment motions. Named Plaintiffs and Class Counsel also are aware of the burdens of proof necessary to establish liability for the claims asserted in the Litigation, both generally and in response to Defendants' defenses thereto, and the difficulties in establishing damages in this Litigation. Named Plaintiffs and Class Counsel also have taken into account Defendants' agreement to enter into a settlement that confers

substantial relief and benefits upon Settlement Class Members. Based upon the foregoing and their own independent investigation and evaluation, Named Plaintiffs and Class Counsel have determined that the Settlement is fair, adequate, and reasonable, and is in the best interests of the Settlement Class Members. Nothing contained in this Agreement, no documents referred to herein, and no action taken to carry out this Agreement, may be construed or used as an admission by or against Named Plaintiffs and/or the Settlement Class Members individually or collectively as to the merits, or lack thereof, of the claims asserted in the Litigation.

- 3.12 Defendants also recognize the benefits of settlement. Defendants have diligently investigated the facts and law surrounding the claims brought by Named Plaintiffs on behalf of the Settlement Class Members, and have produced and had analyzed by their experts, substantial data and data point variations related to the claims and allegations at issue in this Litigation. Defendants vigorously deny any liability or wrongdoing of any kind associated with the claims alleged and also deny that the FLSA collective action may be properly certified as a collective action under the FLSA and dispute that the Rule 23 causes of action may be properly certified as a Rule 23 class action. Defendants also acknowledge that any further defense of this Litigation would be protracted and expensive for all Parties. Substantial amounts of Defendants' time, energy, and resources have been and, unless this Settlement is completed, will continue to be devoted to the defense of the claims asserted by Named Plaintiffs and the Settlement Class Members. Defendants have also taken into account the risks of further litigation in reaching their decision to enter into this Settlement. Even though Defendants continue to contend that they are not liable for the claims asserted by Named Plaintiffs in this Litigation and decertification of the FLSA Collective Action and summary judgment motions remain an issue, Defendants have agreed, nonetheless, to settle in the manner and upon the terms set forth in this Agreement to put to rest any and all claims in the Litigation. This Agreement is a compromise of disputed claims. Nothing contained in this Agreement, no documents referred to herein, and no action taken to carry out this Agreement, may be construed or used as an admission by or against Defendants individually or collectively as to the merits, or lack thereof, of the claims or defenses asserted in the Litigation.
- 3.13 As set forth in Section 9, the entry of Final Judgment in this Litigation shall resolve any and all claims that have accrued, or that were raised, or claims which could have been raised in the Second Amended Complaint for the Release Period. The Parties agree to cooperate and take all steps necessary and appropriate to obtain preliminary and final approval of this Settlement and Agreement, and to effectuate its terms.

#### **4. THE CLASS**

- 4.1 For purposes of this Agreement and related Settlement, the Parties stipulate that the settlement class shall consist of all Settlement Class Members listed on Exhibit 3 to this Agreement which Defendants represent is a complete, fair and accurate listing of the individuals who are proper class members as certified by the Court based on Defendants' records and included in the Revenue Data on which the Exhibit 3 list is based. Exhibit 3 includes the FLSA Collective Members, who are also Rule 23 class members, (i.e., drivers who filed a valid consent to sue, including those that filed their consent to sue form late),

and any other Rule 23 Class members who are not FLSA Collective Members.

- 4.1.1. Any additional persons who are not included in Exhibit 3 to this Agreement but who reasonably fall within the class definition, and performed work as a Lease Purchase Driver for Defendant at any time from April 1, 2014 through December 3, 2021, based on the weight of the available documents and evidence as determined by Counsel for Defendants and Counsel for Plaintiffs shall become a member of the class and shall be entitled to an award pursuant to Sections 5.1.1, 5.1.2 and pursuant to 5.1.2.1 to the extent applicable.
- 4.2 The Parties and Class Counsel agree that, if final approval is not given by the District Court, or if for any reason the Settlement Effective Date does not occur, each Party shall retain all of its or their respective rights and shall be returned to its or their relative legal position as it existed prior to Execution of the Settlement Term Sheet, and neither the Settlement Term Sheet, this Agreement, nor any of its accompanying exhibits or any orders entered by the Court in connection with this Agreement, shall be admissible or used for any purpose in this Litigation or any other litigation and/or related to these claims, class members and/or Settlement Class Members.
- 4.3 The Parties and Class Counsel agree that, if approved, this Agreement is not an admission by Defendants that collective action certification is proper in this or any other wage and hour litigation or any other litigation against either Defendant. The Parties and Class Counsel agree that, if approved, this Agreement is not an admission by Defendants that class action certification is proper in any other wage and hour litigation or any other litigation against either Defendant. This Agreement and the settlement terms contained herein constitute a compromise between the Parties in a matter in which all substantive and procedural claims are disputed and Defendants deny any and all allegations of liability or wrongdoing.

## **5. TERMS OF SETTLEMENT**

- 5.1 Subject to the other terms and conditions contained in this Agreement, and in consideration of the releases and dismissals set forth in this Agreement, and subject to the Court's approval, Defendants agree that the Settlement Amount to be paid by Defendants shall be the exact total of \$15,069,300.00 to be distributed by the Claims Administrator as provided in this Agreement.
  - 5.1.1. All Settlement Class Members shall be eligible to recover a share of the Net Settlement Amount. The Net Settlement Amount shall be allocated as set forth below. All allocations shall be based on those individuals listed in Exhibit 3. Any additional person who is not included in Exhibit 3 but who claims they are within the class definition will be considered for possible payment as provided in Section 5.1.2.
    - 5.1.1.1. Each Settlement Class Member shall be entitled to a Minimum Payment of \$300.00 each ("Minimum Payment"). After these Minimum Payment

amounts are subtracted from the available Net Settlement Amount, the remaining funds in the Net Settlement Amount will be proportionally distributed to eligible Settlement Class Members as provided in Section 5.1.1.2 below.

- 5.1.1.2. The remaining amount that each Settlement Class Member shall be paid, if any, will be proportionally determined by Class Counsel, and calculated by the work weeks within the Release Period for driver IDs within the Revenue Data provided by Defendants (TBL\_WIESFILE\_SETREV\_HIS.csv) (“Revenue Data”), which will be supplemented as provided below, but excluding the weeks for the 807 driver IDs provided by Defendants on October 12, 2021 (List of Owner Operators – CONFIDENTIAL.xlsx) (the “Owner-Operators”). These 807 owner operators are not included in Exhibit 3 to this Agreement and are not included in the calculations. The Revenue Data will be supplemented by Defendants to include updated Revenue Data for the weeks from July 31, 2021 to December 31, 2021, and will be provided to Class Counsel for updating the calculations and allocations accordingly, on or before January 31, 2022. Thereafter, Defendants will use its good faith efforts to further supplement and update the Revenue Data for the weeks from December 31, 2021 to January 31, 2022, and to provide that additional data to Class Counsel by February 21, 2022. Upon receipt Class Counsel will further update the calculations and allocations accordingly.
- 5.1.1.3. The calculation of work weeks for Settlement Class Members listed on Exhibit A will be calculated for driver ID’s within the Revenue Data as set forth in Section 5.1.1.2 above. In performing the calculations and allocations in determining pro rata distributions of the proportionate shares for each Settlement Class Member, however, such allocated proportionate payments (as opposed to the uniform Minimum Payment received by each Settlement Class Member) will be based on Settlement Class Members’ Social Security Number and/or their Federal Employer Identification Number (“FEIN”), if they are claiming under a company or corporate name, in order to eliminate any duplicate allocations resulting from a Settlement Class Member having multiple driver ID’s during the Release Period from April 1, 2014 through January 31, 2022.
- 5.1.1.4. In addition to the provisions of Section 5.1.1 and sub-section 5.1.1.1, 5.1.1.2, and 5.1.1.3 above, Class Counsel has determined that in their performance of the calculation and allocations of pro rata proportionate shares for distribution as additional payment to each eligible Settlement Class Member listed on Exhibit 3, they will utilize the following steps:
  - a. Subtract Service Payments, Errors & Omissions Fund, Reserve Fund, Attorneys’ Fees, and Costs from the Settlement Amount to determine the amount to allocate among the Settlement Class Members.

- b. Calculate Settlement Class Member's weeks worked as the total weeks in which the Revenue Data shows activity for a Settlement Class Member.
  - c. Calculate the total Settlement Class Members' weeks worked as the sum of all Settlement Class Member weeks worked.
  - d. Allocate a \$300 minimum payment ("Minimum Payment") to each Settlement Class Member.
  - e. Subtract the sum of all the Minimum Payments from the allocation amount to determine the remaining pro rata allocation amount available for distribution .
  - f. Divide the pro rata allocation amount by the total Settlement Class Members' weeks worked to calculate the average weekly recovery.
  - g. Multiply each Settlement Class Member's weeks worked by the average weekly recovery to obtain each Settlement Class Member's pro rata allocation, if any.
  - h. Sum each Settlement Class Members' minimum payment and Settlement Class Member's pro rata allocation, if any, to determine each Settlement Class Member's "Individual Settlement Amount."
  - i. The sum of all Individual Settlement Allocations is to be equal to the initial amount to allocate among the Settlement Class Members as derived in step 5.1.1.4a above. .
- 5.1.2. Any additional persons who are not included in Exhibit 3 to this Agreement but who reasonably fall within the class definition, and performed work as a Lease Purchase Driver for Defendant at any time from April 1, 2014 through December 3, 2021, based on the weight of the available documents and evidence as determined by Counsel for Defendants and Class Counsel shall be entitled to the approximate amount(s) (which may be based on estimates and/or averages), they would have received under Plaintiffs' allocation of the Net Settlement Amount if they had been included on Exhibit 3, and based on their established work weeks within the Release Period, and shall be paid out of the Reserve Fund. In the event the Reserve Fund becomes exhausted, Defendants shall be required to provide to the Reserve Fund any additional amounts necessary to make the payments required by this paragraph; provided that such additional contributions by Defendants to the Reserve Fund will not exceed a total amount of \$25,000.00.
- 5.1.2.1. Any additional persons who are not included in Exhibit 3 to this Agreement, but who reasonably fall within the class definition as determined by Counsel for Defendants and Class Counsel will be

part of this Settlement unless they are not paid from the Reserve Fund the approximate amount they would have received under Class Counsel's allocation of the Net Settlement Amount if they had been included in Exhibit 3. Defendants represent that they have acted in good faith and have taken reasonable efforts to ensure that all Settlement Class Members are included in Exhibit 3 and that the Revenue Data, which was previously provided to Class Counsel, is accurate, based on the business documents and records of Defendants, and that they are not aware of any Settlement Class Members not included in Exhibit 3. In the unlikely event that the Reserve Fund, including Defendants' additional contribution of up to \$25,000, is insufficient to satisfy claims from additional persons who are determined to reasonably fall within the class definition, but are not included in Exhibit 3, those additional persons will not be part of this Settlement, (i.e., they will not recover from the Net Settlement Amount, will not release or waive any claims via this Settlement and will retain their rights, if any, existing at the time against Defendants), unless reasonably satisfactory steps are taken to ensure payment of the appropriate amount, as set forth in this Section 5.1.2, to them.

- 5.1.3. Defendants represent that they have acted in good faith and have taken reasonable efforts to ensure that the Revenue Data accurately reflects the business documents and records of Defendants, as set forth in the Revenue Data. However, a Settlement Class Member listed on Exhibit 3 may, within 30 days of the issuance of the Settlement Notice as provided in Section 6.1 below, provide reliable and probative documents and evidence that they worked more weeks within the Release Period than are indicated in the Revenue Data ("Evidence"). If the Settlement Class Member provides the Evidence only to the Claims Administrator or to Class Counsel, the Claims Administrator or Class Counsel shall provide the Evidence to Counsel for Defendants within 3 business days of its receipt. Within 14 days of receipt of the Evidence by Counsel for Defendants and Class Counsel (collectively "Counsel"), they will each determine whether to accept or reject the Evidence. If Counsel are not in agreement as to whether to accept or reject the Evidence, then the Parties agree that the issue will be submitted to the Magistrate Judge for a decision. If Counsel mutually agree to accept the Evidence, or, if, in the event of a dispute, the Magistrate Judge decides that the Evidence should be accepted, the additional weeks for that Settlement Class Member, as substantiated by the Evidence, will be incorporated into the calculation of the Settlement Class Member's Individual Settlement Payment (which incorporation may be based on estimates and/or averages), and calculated pursuant to Section 5.1.1 and its subsections 5.1.1.1 through 5.1.1.4 as appropriate. Any claims which are mutually accepted by Counsel for Defendants and Class Counsel or, if disputed, accepted by the Magistrate Judge, pursuant to this Section 5.1.3 will be paid out of the Errors and Omissions Fund. Notwithstanding any other section or provision of this Agreement, and for the avoidance of doubt, the Errors and Omissions Fund total balance and amount shall be capped at \$25,000 as indicated in Section 2.24 of this

Agreement. Defendants shall have no obligation to contribute or pay any additional amounts or funds into the Errors and Omissions Fund above this \$25,000 cap, even if the Errors and Omissions Fund is depleted prior to the payment of all claims under this Section 5.1.3 made by Settlement Class Members.

- 5.1.4. Class Counsel request that, subject to Court approval, Named Plaintiffs John Elmy and Gerald Biernot each be paid a Service Payment up to a maximum amount of \$20,000.00 each, out of the Settlement Amount. Defendants have no objection to this request for a Service Payment of \$20,000.00 to each of the Named Plaintiffs.
- 5.1.5. Class Counsel request that, subject to Court approval, each of the five (5) Original Discovery Representatives be paid a Service Payment up to a maximum amount of \$5,000.00 each, out of the Settlement Amount. Defendants have no objection to this request for a Service Payment of \$5,000.00 to each of the five (5) Original Discovery Representatives.
- 5.1.6. Class Counsel will apply to the Court for an award of attorneys' fees of 33 and 1/3% of \$15,000,000.00 of the total Settlement Amount with Class Counsels' Attorneys' Fees and Costs not to exceed \$200,000. Defendants take no position with respect to Class Counsel's application for Attorneys' Fees and Costs. With the sole exception of Defendants' obligation to pay the Settlement Amount, Defendants shall have no responsibility for, and no liability whatsoever with respect to, any payment whatsoever to Class Counsel in relation to this Litigation.
  - 5.1.6.1. Class Counsel agree that they are responsible for allocating the Attorneys' Fees and Costs approved by the Court among themselves and any other counsel that may have under any other agreement or arrangement with them. If a lien is asserted against the Attorneys' Fees and Costs, the Claims Administrator will tender the Attorneys' Fees and Costs award to the Court and shall thereafter be released from any claim related to those payments. Class Counsel warrant and represent that there are no liens on the Attorneys' Fees and Costs to be paid pursuant to this Agreement. Class Counsel agree to defend, indemnify, save, and hold harmless Defendants from any costs and liability resulting from a breach of these representations and/or any lien on or assignment of the Attorneys' Fees and Costs.
  - 5.1.6.2. Class Counsel's Attorneys' Fees and Costs as approved and awarded by the Court shall be paid by the Claims Administrator within fourteen (14) business days of the Settlement Effective Date out of the Settlement Amount in accordance with this Section 5.1.6.
- 5.1.7. All Administration Costs of the Claims Administrator shall be paid by Defendants except as otherwise provided in this Agreement.
  - 5.1.7.1. There shall be no ex parte communications with the Claims Administrator once the Court has granted approval of the Claims

Administrator. Provided, however, routine clerical or remedial matters such as address updates, concerns concerning check mailings or deliveries, and spelling errors, may be communicated and addressed in ex parte communications provided that resulting actions taken are subsequently communicated to counsel for both Parties.

5.1.8. The Parties agree the Individual Settlement Payments paid to the Settlement Class Members shall be allocated as follows: each Settlement Class Member will receive a Minimum Payment that will be \$300.00, and that Minimum Payment will be treated as 50% wages (W-2 payments) and 50% 1099 income for all Settlement Class Members. For Settlement Class Members who receive an additional allocation over and above the \$300.00 Minimum Payment, the amount of the additional allocation will be treated as 30% wages (W-2 payments) and 70% as 1099 income. Service Payments to Named Plaintiffs and the Original Discovery Representatives, if any, will be treated as 1099 income. All amounts treated as wages shall be treated as taxable income to be reported on IRS Form W-2s, and all amounts treated as 1099 income shall be reported as payments on IRS Form 1099s. The forms will be sent to the Settlement Class Members by the Claims Administrator. The payment of the employer's portion of state and federal payroll taxes required by law, including, but not limited to, the employer FICA, FUTA, and SDI contributions, as to the portion of each Settlement Class Members' Individual Settlement Payment allocated as wages will be handled as provided in Section 5.1.9.

5.1.8.1. Each Class Member's entire Individual Settlement Payment will be issued in a single check. The portion of each Settlement Class Member's Individual Settlement Payment treated as wages/W-2 payments will be paid, less all ordinary payroll taxes and withholdings. The portion of each Settlement Class Member's Individual Settlement Payment treated as 1099 income will be paid, with no deduction for payroll taxes or withholdings. The corresponding breakdown of the respective W-2 payments and 1099 income will be included on the check stub for each Class Member's check.

5.1.9. As soon as practicable after all Individual Settlement Payments have been calculated, the Claims Administrator shall determine the applicable standard tax deductions and withholdings for the payments allocated as wages for each Settlement Class Member. Defendants will provide the Claims Administrator with any information from Defendants' records reasonably necessary to perform this calculation along with the appropriate documentation as necessary. On payments allocated as wages (W-2 payments) made to Settlement Class Members, the employer's share of payroll taxes to be paid to the appropriate State or Federal agencies shall be paid by Defendants, separate and apart from the payment of the Settlement Amount. Settlement Class Members are to pay the employee's share as provided in Section 5.1.8. Defendants shall have no responsibility for deciding or

determining the validity of the Individual Settlement Payments calculated by Class Counsel Pursuant to Section 5.1.1 or any other payments calculated by Class Counsel pursuant to this Agreement, and shall not be liable under any circumstances for any errors in the calculation or determination of any claims or amounts, and shall have no involvement in or responsibility for the determination or payment of such taxes, and shall have no liability for any errors made with respect to such taxes.

5.1.10. The Parties have not made any representations or warranties regarding the tax consequences of the money paid and received pursuant to this Agreement. Settlement Class Members shall be solely responsible for the payment of any state, local, and/or federal income taxes, if any, on the amount paid to them hereunder. Should it be determined by an authorized state or federal authority that money paid to Settlement Class Members from the Net Settlement Amount, or any portion thereof, should or shall be treated as taxable income, for which applicable taxes were not paid, each individual Settlement Class Member, or those Settlement Class Members directly affected, agree to assume all liability for their own taxes and any costs, fees, interest, assessments, penalties, damages, or other losses assessed against them, either individually or jointly, due to such a determination. In addition, the parties acknowledge the following:

5.1.10.1. CIRCULAR 230 DISCLAIMER. EACH PARTY TO THIS AGREEMENT (FOR PURPOSES OF THIS SECTION, THE “ACKNOWLEDGING PARTY,”) INCLUDING THE NAMED PLAINTIFFS INDIVIDUALLY AND ON BEHALF OF THE SETTLEMENT CLASS MEMBERS, ACKNOWLEDGES AND AGREES THAT (1) NO PROVISION OF THIS AGREEMENT, AND NO WRITTEN COMMUNICATION OR DISCLOSURE BETWEEN OR AMONG THE PARTIES OR THEIR ATTORNEYS AND OTHER ADVISORS, IS OR WAS INTENDED TO BE, NOR SHALL ANY SUCH COMMUNICATION OR DISCLOSURE CONSTITUTE OR BE CONSTRUED OR BE RELIED UPON AS, TAX ADVICE WITHIN THE MEANING OF UNITED STATES TREASURY DEPARTMENT CIRCULAR 230 (31 CFR PART 10, AS AMENDED); (2) THE ACKNOWLEDGING PARTY (A) HAS RELIED EXCLUSIVELY UPON HIS, HER, OR ITS OWN, INDEPENDENT LEGAL AND TAX COUNSEL FOR ADVICE (INCLUDING TAX ADVICE) IN CONNECTION WITH THIS AGREEMENT, (B) HAS NOT ENTERED INTO THIS AGREEMENT BASED UPON THE RECOMMENDATION OF ANY OTHER PARTY OR ANY ATTORNEY OR ADVISOR TO ANY OTHER PARTY, AND (C) IS NOT ENTITLED TO RELY UPON ANY COMMUNICATION OR DISCLOSURE BY ANY ATTORNEY OR ADVISOR TO ANY OTHER PARTY TO AVOID ANY TAX PENALTY THAT MAY BE IMPOSED ON THE ACKNOWLEDGING PARTY; AND (3) NO ATTORNEY

OR ADVISOR TO ANY OTHER PARTY HAS IMPOSED ANY LIMITATION THAT PROTECTS THE CONFIDENTIALITY OF ANY SUCH ATTORNEY'S OR ADVISOR'S TAX STRATEGIES (REGARDLESS OF WHETHER SUCH LIMITATION IS LEGALLY BINDING) UPON DISCLOSURE BY THE ACKNOWLEDGING PARTY OF THE TAX TREATMENT OR TAX STRUCTURE OF ANY TRANSACTION, INCLUDING ANY TRANSACTION CONTEMPLATED BY THIS AGREEMENT.

5.1.11. The Claims Administrator shall be responsible for issuing to Settlement Class Members and filing with appropriate governmental authorities any and all tax forms as may be required by law for all amounts paid pursuant to this Agreement.

5.1.12. The payments made to Settlement Class Members pursuant to this Agreement are not being made for any purpose other than Settlement and release of claims and shall not be construed as compensation for purposes of determining eligibility for any health and welfare benefits or unemployment compensation, and no benefit, including but not limited to pension and/or 401(k) benefits, shall increase or accrue as a result of any payment made as a result of this Settlement.

## **6. NOTICE OF THE SETTLEMENT**

6.1 A Settlement Notice substantially in the form attached as **Exhibit 1** hereto, and subject to Court approval, shall be sent by the Claims Administrator in due course to all Settlement Class Members identified in Exhibit 3 to this Agreement by first class mail. The Settlement Notice shall:

6.1.1. Describe the process for distributing the Settlement Amount;

6.1.2. Advise Settlement Class Members of their right to object to the Rule 23 Settlement, the process by which such objections must be made, and the date set by the Court for a hearing on final approval of the Settlement; and

6.1.3. Advise Settlement Class Members of their right to opt out of the Rule 23 Settlement, and the process by which such opt out must be made.

6.2 Prior to mailing the Settlement Notice, the Claims Administrator shall process and cross-reference the Settlement Class List against and to the National Change of Address Database maintained by the United States Postal Service ("USPS"). It shall be conclusively presumed that if the Settlement Notice documents are not returned as undeliverable, the Settlement Class Member received the Settlement Notice documents. With respect to the Settlement Notices that are returned as undeliverable, if forwarding addresses are provided by the USPS, the Claims Administrator shall re-mail the Settlement Notice immediately. If no forwarding address is provided, the Claims Administrator shall promptly attempt to determine the correct address using a skip-trace, and shall then perform a single re-mailing.

6.3 The Claims Administrator shall set up and maintain a toll-free number to respond to

inquiries from Settlement Class Members. This toll-free number will not be staffed by live operators. The toll-free number will provide a voicemail box where messages can be left. Calls shall be returned by the Claims Administrator within two (2) business days.

- 6.4 The Claims Administrator shall send to each appropriate State and Federal official the materials specified in 28 U.S.C. § 1715 and otherwise comply with its terms. The identities of such officials and the content of the materials shall be mutually agreeable to the Parties. The Claims Administrator shall provide Class Counsel and Defendants' counsel with proof of compliance with this provision no later than thirty (30) days before the hearing on final approval of the Settlement.
- 6.5 The Claims Administrator shall mail the Settlement Notice to the Settlement Class Members within 10 days after the Court grants preliminary approval of the Settlement and this Agreement.
- 6.6 The Claims Administrator shall provide a signed declaration to the Parties following the end of the objection and opt-out periods referenced in Section 7 below.

## **7. OBJECTION AND OPT-OUT PROCESS**

- 7.1 **Objections:** A Settlement Class Member who wishes to object to the Settlement must notify the Claims Administrator of their objection, in writing, on or before the date which is thirty (30) days after the date the Settlement Notice is placed in the mail to Settlement Class Members. Instructions regarding how to object are found in Section 7 of the Settlement Notice, **Exhibit 1**. Settlement Class Members who fail to send both a timely written objection or a notice of intention to appear and object as provided above shall be deemed to have waived any objections, shall be foreclosed from making any objection (whether by appeal or otherwise) to the Settlement and shall be bound by the Settlement. The Claims Administrator must distribute to the Parties any objections received within three (3) business days of receipt, or by the deadline for Class Counsel to file their motion for final approval, whichever is earlier. Class Counsel will file with the Court as part of the motion for final approval all objections they receive at least two (2) calendar days before the filing of the motion for final approval. Any objections filed within two (2) calendar days of the filing of the Class Counsel's motion will be subsequently promptly filed with the Court.
- 7.2 **Opt-Outs:** A Settlement Class Member who wishes to opt out of the Rule 23 settlement must notify the Claims Administrator, in writing, on or before the date which is thirty (30) days after the date the Settlement Notice is placed in the mail to Settlement Class Members. Instructions regarding how to opt out are found in Section 8 of the Settlement Notice, **Exhibit 1**. Settlement Class Members who fail to file and send a timely written opt-out as provided above shall be deemed to have failed to opt-out of the Rule 23 settlement and shall be bound by the Settlement. The Claims Administrator must distribute to the Parties any opt-outs received within three (3) business days of receipt, or by the deadline for Class Counsel to file their motion for final approval, whichever is earlier. Class Counsel will file with the Court as part of the motion for final approval all opt outs they receive at least two (2) calendar days before the filing of the motion for final approval. Any opt outs filed

within two (2) calendar days of the filing of the Class Counsel's motion will be subsequently promptly filed with the Court.

## **8. DISTRIBUTION PROCESS**

### **8.1 Distribution Process**

- 8.1.1. All Settlement Class Members shall receive an Individual Settlement Payment unless they properly and timely opt out of the Rule 23 settlement. Any Settlement Class Member who filed a consent to sue form, but chooses to opt out of the Rule 23 settlement will not receive a settlement payment related to the Rule 23 settlement, but shall still be entitled to a FLSA settlement allocation and will still release their FLSA claims.
- 8.1.2. The amount that each Settlement Class Member is eligible to receive, the Individual Settlement Payment, under this Settlement shall be determined in accordance with Section 5.
- 8.1.3. As a condition of receiving timely payment of the following, within five (5) business days after the Settlement Effective Date, Class Counsel shall deliver to the Claims Administrator both written instructions signed by Class Counsel that describe the manner and mode of payment of Class Counsel's Attorneys' Fees and Costs, and a fully-executed Form W-9 with respect to the entity to whom the Attorneys' Fees and Costs shall be paid. The Claims Administrator will issue to Class Counsel an IRS Form 1099 for such amounts paid for Attorneys' Fees and Costs under this Settlement.
- 8.1.4. Defendants will provide the Claims Administrator with the funds for the Settlement Amount by wire transfer by no later than ten (10) days after the Settlement Effective Date.
- 8.1.5. Payments of the Individual Settlement Payments to the Settlement Class Members, less required withholdings; Service Payments to the Named Plaintiffs and Original Discovery Representatives; Class Counsel's Attorney Fees and Costs; and any applicable Employer-side taxes and withholdings shall be made by the Claims Administrator no later than fourteen (14) business days after the Settlement Effective Date.
  - 8.1.5.1. Individual Settlement Payments shall include a Release Notice substantially in the form of the Release Notice attached hereto as Exhibit 2, notifying each Settlement Class Member of the release of all claims, including but not limited to FLSA claims and a reference to the Comprehensive Waiver and Release language in Section 9 of this Agreement.
  - 8.1.5.2. Checks issued to all Settlement Class Members pursuant to this Agreement who did not file a consent to sue form for FLSA claims will include a legend on the back indicating that by signing

the settlement check the Settlement Class Member is agreeing to the Release provisions in the Release Notice and the Settlement Agreement, including the release of FLSA claims.

8.1.5.3. Each Class Member's entire Individual Settlement Payment shall be issued in a single check, as set forth in Section 5.1.7.1.

8.1.6. If the Settlement Notice to a particular Settlement Class Member is returned to the Claims Administrator as undeliverable two or more times, the Claims Administrator will not send an Individual Settlement Amount Payment to that Settlement Class Member. However, that Settlement Class Member will remain subject to the terms of the Final Judgment and the Comprehensive Waiver and Release language in Section 9 of this Agreement.

8.1.7. Checks issued to Settlement Class Members pursuant to this Agreement shall remain negotiable for a period of three hundred sixty-five (365) days from the date of mailing and shall thereafter be void. Settlement Class Members who fail to negotiate or cash their check within the allotted time period shall have their uncashed check sent to the applicable State department of unclaimed funds.

8.1.8. There shall be no second distribution of the Net Settlement Amount funds to Settlement Class Members after the payment specified in Section 8.1.5 above, with any such funds being distributed as provided in Section 8.1.7.

8.1.9. In the event that a Settlement Class Member is deceased and his or her estate is or will not be probated, the Parties agree that an affidavit on behalf of a qualified beneficiary or executor shall be sufficient, based on the weight of the available documents and evidence as determined by Counsel for Defendants and Class Counsel, to distribute that Settlement Class Member's Individual Settlement Amount Payment to that qualified beneficiary or executor.

8.1.10. Settlement Class Members who fail to negotiate or cash their check in a timely fashion shall, like all Settlement Class Members, remain subject to the terms of the Final Judgment and the Comprehensive Waiver and Release language in Section 9 of this Agreement.

8.1.11. Any balance of funds remaining in the Errors and Omissions Fund and/or the Reserve Fund after one year following initial distribution of the Individual Settlement Payments will be promptly returned to Defendants.

8.1.11.1. No other amounts shall revert to Defendants.

8.2 In the event that Final Approval of this Settlement and Agreement is not granted by the Court, neither the Settlement or Agreement, nor any documents related to this Settlement and Agreement or negotiations leading to the Settlement and Agreement may be used as

evidence for any purpose, and Defendants shall retain the right to challenge all claims and allegations in the Litigation, including filing a motion for decertification, and asserting all applicable defenses.

- 8.3 Should the Court decline to approve this Agreement in any material respect, except for approval of the award of Class Counsel's Attorney Fees and Costs, or Service Payments, Defendants shall have no obligation to make any payment under this Agreement, and in the event that Defendants have made any such payment, such monies shall be returned promptly to Defendants.
- 8.4 The Claims Administrator shall provide a signed declaration to the Parties at the conclusion of the Settlement administration.

## **9. COMPREHENSIVE WAIVER AND RELEASE**

Solely with respect to any and all Released Claims, the Parties stipulate and agree that, upon the Settlement Effective Date, the Named Plaintiffs shall expressly, and each other Settlement Class Member shall be deemed to have, and by operation of the Final Judgment shall have, to the fullest extent permitted by law, expressly released, acquitted, waived, forever discharged, and relinquished any and all Released Claims against the Released Parties as defined below.

- 9.1.3. This Release excludes a release of claims specifically not permitted by law, claims outside of the Release Period, claims for unemployment, claims for retaliation, and claims for workers’ compensation.
- 9.2 Subject to final approval by the Court of the Settlement and this Agreement, for good and valuable consideration set forth herein the receipt and sufficiency of which is hereby acknowledged, John Elmy and Gerald Biernot, and any Original Discovery Representatives who receive a Service Payment, do hereby irrevocably release, acquit, waive, forever discharge and relinquish the Released Parties from any and all Released Claims and from any and all claims or potential claims, whether known or unknown, under any federal or state law as a Lease Purchase Driver for Western and leasing a truck from New Horizons, including without limitation all claims that were raised or could have been raised in the Second Amended Complaint, any and all wage and hour or wage payment related claims available under federal, state or local laws, regulations or rules including the FLSA, and any state or local labor laws or rules and regulations or any common law or statutory claims arising out of the compensation paid and/or payment or reimbursement of any wages or expenses.
- 9.3 The Releasing Class Members, the Named Plaintiffs and the Original Discovery Representatives with respect to the Released Claims as provided in the Section 9, shall not now or hereafter institute, maintain, participate in, prosecute, assert, assist, and/or cooperate in the institution, commencement, filing, or prosecution of any suit, action, and/or proceeding, including but not limited to any litigation, arbitral or administrative action or proceeding against the Released Parties, either directly or indirectly, on their own behalf, on behalf of a class, or on behalf of any other person or entity.
- 9.4 The Released Claims shall cover the Release Period beginning April 1, 2014, up through and including the date all Parties Execute this Settlement Agreement, or January 31, 2022, whichever is earlier.

cashied prior to the check void date.

#### **14. STATEMENT OF NO ADMISSION**

- 14.1 Nothing contained in this Agreement shall be construed or deemed an admission of liability, culpability, or wrongdoing on the part of either Defendant, and each Defendant denies liability therefor. Nor shall this Agreement constitute an admission by either Defendant as to any interpretation of laws or as to the merits, validity, or accuracy of any claims made against it in the Litigation or in any other litigation that has been filed or hereafter may be filed. Likewise, nothing in this Agreement shall be construed or deemed an admission with regard to the validity of any of either Defendant's defenses or affirmative defenses. Each of the Parties has entered into this Settlement and Agreement with the intention to avoid further disputes and litigation and the attendant inconvenience and expenses thereof.
- 14.2 This Agreement, and all related documents, and all other actions taken in implementation of the Settlement and this Agreement, including any statements, discussions, or communications, and any materials prepared, exchanged, issued, or used during the course of the negotiations leading to this Agreement are confidential settlement documents not to be published or disseminated in any manner and shall be inadmissible in evidence and shall not be used for any purpose in any judicial, arbitral, administrative, investigative, or other court, tribunal, forum, or proceeding, including any wage and hour or other litigation against Defendants individually or collectively, for any purpose, except in an action or proceeding to approve, interpret, or enforce the terms of this Agreement.

- 15.2 In the event that the Court does not approve the Service Payments or the Attorneys' Fees and Costs in the amount requested by Class Counsel, or in the event that the Service Awards or Attorneys' Fees and Costs requested by Class Counsel are reduced, that finding shall be considered separately from the fairness, reasonableness, adequacy, and good faith of the Settlement and Agreement, and that finding shall not be the sole or primary basis for rendering the entire Settlement and Agreement null, void, or unenforceable. Class Counsel retains their right to appeal any decision by the Court regarding the Service Payments and Attorneys' Fees and Costs.

## **19. CONFIDENTIALITY**

- 19.1 The negotiations, terms and existence of this Settlement and Agreement will remain strictly confidential and shall not be discussed with anyone other than the Parties of record, their accountants and financial or tax advisors, counsel of record, or their retained consultants, until one day after Class Counsel moves, including the filing of the executed version of this Agreement, for preliminary approval of the Agreement with the Court (the "Filing Date"). Thereafter, confidentiality will be governed by Section 19.2 of this Agreement. However, after the Filing Date the negotiations and discussions preceding submission of the Agreement to the Court for preliminary approval shall remain strictly confidential, unless otherwise agreed to by the Parties or unless otherwise ordered by the Court. Defendants will not object to Plaintiffs filing the Settlement Agreement on the public docket as an attachment to Plaintiffs' Motion for Preliminary Approval.

- 19.2 Counsel for the Parties recognize and accept that the Parties desire that the terms of this Agreement, the disposition of the Litigation, the Litigation, and all matters relating to the prosecution or defense of the Litigation, including discovery proceedings therein, and evidence obtained during the course of the Litigation (except as otherwise specifically provided in this Section 19.2), shall not be discussed with or presented to the media. Class Counsel will not publicize this settlement, including but not limited to on its website, through press releases or publication of the Settlement or Agreement or details of the Settlement or Agreement. Class Counsel shall not report the Settlement or Agreement to any publication, whether print, electronic, or otherwise. If contacted by the press or media, Class Counsel may only state that the case has been resolved and may refer the media to the Court file and/or related settlement documents filed with the Court. This Section -19.2 in no way prevents Class Counsel from conducting themselves as appropriate under governing ethical rules or laws, including the ability to obtain court approval and the requirements to effectuate the terms of the settlement, and, after the Filing Date, Class Counsel may engage in communications, including postings on Class Counsel's website, with Settlement Class Members, including FLSA Collective Members, regarding their rights under the Agreement and the settlement process. Before the Filing Date, Named Plaintiffs will refrain from discussing the terms of or the fact of the Settlement and Agreement with third-parties other than (a) their immediate family members, and (b) their accountants or lawyers as necessary for tax purposes, except that the Named Plaintiffs may respond to any direct inquiries that they receive from, and which are initiated by, Settlement Class Members concerning the Settlement. The Parties agree that if a Party violates or threatens to violate Section 19.1 or -19.2 the non-breaching Party will be entitled to injunctive relief.

## **20. NON-RETALIATION**

- 20.1 Defendants understand and acknowledge that they have a legal obligation not to retaliate against any Settlement Class Member who elects to participate in the Settlement. Defendants will refer any inquiries regarding the Settlement or Agreement to the Class Administrator or Class Counsel and will not discourage Settlement Class Members, directly or indirectly, from making claims, opting out of the Settlement, or objecting to the Settlement.

## **21. DOCUMENTS AND DISCOVERY**

- 21.1 The Parties shall return and/or destroy all material produced in this action in conformity with the Agreed Protective Order Governing Discovery entered in the Litigation. Doc. 246 ¶16.

## **22. MISCELLANEOUS PROVISIONS**

- 22.1 Construction. The Parties agree that the terms and conditions of this Agreement are the result of lengthy, intensive arms-length negotiations between the Parties and their counsel and that this Agreement shall not be construed in favor of or against any party by reason of the fact that their counsel participated in the drafting of this Agreement.

- 22.2 Captions and Interpretations. Paragraph titles or captions contained in this Agreement are a matter of convenience and for reference, and in no way define, limit, extend, or describe the scope of this Settlement or Agreement or any provision thereof. Each term and statement in this Agreement is contractual in nature and not merely a recital.
- 22.3 Modification. This Settlement and Agreement may not be changed, altered, or modified, except in a writing signed by the Parties, and approved by the Court. Notwithstanding the forgoing, the Parties agree that any dates contained in this Agreement may be modified by agreement of the Parties without Court approval if the Parties agree in writing and cause exists for such modification. This Settlement may not be discharged except by performance in accordance with its terms or by a writing signed by the Parties.
- 22.4 Integration Clause. This Agreement, the Exhibits hereto, and any other documents specifically incorporated herein are the entire agreement and contract between the Parties relating to the resolution of the Litigation and the subject matter hereof, and all prior or contemporaneous agreements, understandings, representations, and statements, whether oral or written, and whether by a Party or such Party's counsel, including but not limited to the Settlement Term Sheet, are merged into this Agreement and superseded and replaced by this Agreement. No rights under this Settlement or Agreement may be waived except in writing and signed by the Party against whom such waiver is to be enforced.
- 22.5 Enforcement. The Court will retain continuing jurisdiction to enforce the terms of this Agreement and will retain jurisdiction over the Parties and the Claims Administrator for purposes of effectuating the Agreement. In an action to enforce this Agreement, the prevailing Party shall be entitled to recover from the unsuccessful Parties', reasonable attorneys' fees and costs, including expert witness fees incurred in connection with such action, through any appeals.
- 22.6 Binding on Assigns. This Settlement and Agreement shall be binding upon, and inure to the benefit of, the Parties and their respective heirs, trustees, executors, administrators, successors, and assigns.
- 22.7 Class Counsel and Named Plaintiffs Signatories. It is agreed that because the Settlement Class Members are so numerous, it is impossible or impractical to have each Settlement Class Member execute this Settlement and Agreement. The Notice and Release Notice will provide all Settlement Class Members with a summary of the Settlement and Agreement, including the release of claims contained therein, and will advise all Settlement Class Members of the binding nature of the release. The Notice and Release Notice shall have the same force and effect as if this Settlement were executed by each Settlement Class Member.
- 22.8 Counterparts and Electronic Signatures. This Agreement may be executed by facsimile signature, pdf signature, or original signature in compliance with the Uniform Electronic Transaction Act, and in any number of counterparts, and when each Party has signed and delivered at least one such counterpart, each counterpart shall be deemed an original, and, when taken together with other signed counterparts, shall constitute one and the same Agreement, which shall be binding upon and effective as to all Parties.

22.9 Applicable Law. This Agreement shall be governed by federal law, and as applicable, the laws of the state of Tennessee.

# **EXHIBIT 1**

**IMPORTANT LEGAL NOTIFICATION TO CLASS MEMBERS**

**YOU HAVE BEEN IDENTIFIED AS A MEMBER OF THE CLASS IN THIS LAWSUIT. AS SUCH, YOU ARE ELIGIBLE TO RECEIVE A PAYMENT FROM THE SETTLEMENT OF THIS LAWSUIT.**

*Please read this document.*

*A federal court authorized this Notice. This is not a solicitation from a lawyer.*

- The Settlement will provide up to \$15,069,300 to resolve all disputed claims and allegations that Western Express, Inc. and New Horizons Leasing, Inc. (collectively “Defendants”) violated various federal and state laws since the inception of their Lease Purchase program in 2014. For a more detailed description of the claims and allegations, please see Section 2 of this Notice below.
- **Your estimated Individual Settlement Payment is \$XX.** This amount is an estimate only and your actual payment may be more or less. See Section 3 of the Notice below for more details.
- The two sides disagree as to who would win, and how much could be won, if anything, if the case went to trial.
- **Your legal rights will be affected whether you act or do not act.** Read this Notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
<b>Do Nothing and Receive Payment</b>	You are automatically a Class Member, and accordingly, you do not need to take any further action to receive money in this Settlement. If the Court grants final approval of the Settlement, you will get a payment.
<b>Object</b>	Write to the Court about what you do not like in the Settlement. See Section 7 of the Notice below for more details.
<b>Go to a Hearing</b>	Ask to speak in Court about the fairness of the Settlement. See Section 6 of the Notice below for more details.
<b>Exclude Yourself</b>	Request to be excluded from the Settlement. If you <b>did not</b> previously opt in to the Fair Labor Standards Act (“FLSA”) collective action, you may exclude yourself fully from all portions of the Settlement. If you do so, you will not receive a settlement payment and you will not release any claims you may have against Defendants. If you <b>did</b> previously opt in to the FLSA collective action, you may exclude yourself from the Rule 23 portion of the Settlement only. If you do so, you will not receive a settlement payment for your Rule 23 claims and will not release any Rule 23 claims you may have against Defendants. However, you will still receive a settlement payment for your FLSA claims and will release your FLSA claims against Defendants. See Section 8 of the Notice below for more details.

- **These rights and options – and the deadlines to exercise them – are explained in this Notice.**
- The Court in charge of this case still has to decide whether to approve the Settlement. Payments will be made if the Court approves the Settlement and after any appeals are resolved. Please be patient.

**NOTICE OF CLASS ACTION SETTLEMENT**

*A Federal Court authorized this Notice. This is not a solicitation from a lawyer.*

***PLEASE READ THIS NOTICE CAREFULLY.***

**1. Why did I get this Notice package?**

You are receiving this Notice because records indicate that you leased a truck from New Horizons Leasing, Inc. (“New Horizons”) and executed a Contract Hauling Agreement with Western Express, Inc. (“Western Express”) as a driver at some point between the inception of their Lease Purchase program in 2014, and December 3, 2021 (the “Class Period”). The above-referenced lawsuit, *John Elmy, et al. v. Western Express, Inc., et al.* (the “Lawsuit”), is pending in the United States District Court for the Middle District of Tennessee in Nashville, Tennessee (the “Court”). You are receiving this Notice because the Court has ordered that it be mailed to you.

You may also have filed a Consent Form to opt-in and join the FLSA collective action. By submitting a Consent Form, you agreed to litigate your FLSA claims in the Lawsuit and agreed to accept compensation and settle your FLSA claims in the Lawsuit should the Lawsuit settle.

The Court has preliminarily approved a settlement (“Settlement”) of the Lawsuit. The Settlement provides for current and former drivers who leased a truck from New Horizons and executed a Contract Hauling Agreement with Western Express (“Class Members”) to receive a portion of a Fifteen Million, Sixty-Nine Thousand, Three Hundred Dollar (\$15,069,300) fund (“Settlement Fund”). The Court will conduct a hearing (“Fairness Hearing”) to determine if the Settlement should be granted final approval.

This Notice describes the Settlement and describes how you can receive a money payment from the Settlement. This Notice also describes how you can object to the Settlement in Section 7, and how you can exclude yourself from the Settlement in Section 8.

**2. What is this lawsuit about and why did it settle?**

John Elmy and Gerald Biernot, are truck drivers who leased a truck from New Horizons and executed a Contract Hauling Agreement with Western Express and are the “Named Plaintiffs.” They brought this Lawsuit against Defendants on behalf of themselves and all the Class Members. The Named Plaintiffs allege, and Defendants specifically deny, that Defendants allegedly violated federal and state laws in the following ways:

- 1) by making fraudulent statements and misrepresentations to Class Members about the Lease Purchase program;
- 2) by entering into, and seeking to enforce, unconscionable contracts with Class Members;
- 3) by being unjustly enriched at the expense of Class Members;
- 4) by obtaining and benefitting from involuntary labor of Class Members;
- 5) by violating federal Truth in Leasing Act regulations; and
- 6) by failing to pay the compensation promised in the contracts with Class Members.

The Named Plaintiffs further claim that Defendants allegedly violated the Fair Labor Standards Act (“FLSA”) by misclassifying the Class Members and by paying Class Members less than the minimum wage for all hours worked.

Defendants strongly dispute the allegations, deny any liability, and have what they believe are meritorious defenses to the claims alleged in the Lawsuit. Still, they have decided to settle the Lawsuit at this time because Defendants believe the Settlement is in the best interests of the companies and their employees. The Settlement enables Defendants to avoid the costs and distraction of continuing litigation and instead dedicate their time and resources to ongoing business operations and, as such, benefits both their employees and customers. In exchange for the settlement payments, Class Members will release claims raised in this Litigation. See Section 5 below.

The Class Members’ attorneys, who are referred to as “Class Counsel,” believe that the Settlement benefits the Class Members. The Settlement provides a benefit to a large number of Class Members and enables them to avoid the risk that Defendants could win the lawsuit, in which case Class Members would recover nothing. The Settlement also enables Class Members to recover money without the delay of protracted litigation.

### **3. What does the Settlement provide and how much will I be paid?**

The parties’ attorneys negotiated the Settlement after more than four years of litigation that has enabled each side to understand the risks of proceeding with adversarial litigation. Payment and related records for over six thousand drivers in the class were analyzed. Class Counsel believe that the Settlement is fair and serves the best interests of the Class Members. The Judge overseeing the Lawsuit has “preliminarily approved” the Settlement as fair. The Judge will make his final decision regarding the fairness of the Settlement at the Fairness Hearing described in Section 6 below.

Under the Settlement, Defendants have agreed to pay a Settlement Amount of Fifteen Million, Sixty-Nine Thousand, Three Hundred Dollars (\$15,069,300) to resolve all claims asserted in the Lawsuit. After litigation costs, attorneys’ fees, service payments, an errors and omissions fund, and a reserve fund are subtracted from the Settlement Amount, the remaining fund (“Net Settlement Fund”) will be divided among the Class Members based upon the settlement formula stated in the Settlement Agreement on file with the Court.

The payment each Class Member is entitled to (“Individual Settlement Payment”) will be calculated from the Net Settlement Fund based on a formula that is applied uniformly to each Class Member and that takes into account the number of weeks each Class Member worked during the class period. Each Class Member is entitled to a Minimum Payment of \$300.00 (“Minimum Payment”).

**Based on the information provided by Defendants, your Individual Settlement Payment is estimated to be approximately: \$XX.** This amount is an estimate only and your actual payment may be more or less depending on the number of Class Members who opt out of the Settlement and the deductions from the Settlement Fund approved by the Court for litigation costs, attorneys’ fees, and service payments, and the errors and omissions fund and the reserve fund.

For each Class Member’s Minimum Payment, 50% of your settlement amount will be paid, less all ordinary payroll taxes and withholdings. This amount will be reported on an IRS Form W2 after the end of the tax year. The other half of your

Minimum Payment will be paid, with no deduction for payroll taxes or withholdings. This amount will be reported on an IRS Form 1099, issued after the end of the tax year. For Class Members who receive an additional pro-rata allocation amount payment over the Minimum Payment, 30% of the additional amount will be paid, less all ordinary payroll taxes and withholdings, and 70% of the additional amount will be paid with no deduction for payroll taxes or withholdings. You will receive one check for your entire Individual Settlement Payment, along with a check stub showing the breakdown between W2 wages and 1099 income, and any taxes withheld.

At the Fairness Hearing, Class Counsel will ask for up to \$5,000,000 of the \$15,069,300 Settlement Fund for the services they provided. Class Counsel will also seek to recover its approved out-of-pocket costs and expenses incurred in the Lawsuit not to exceed \$200,000. This amount will be requested based on the substantial work Class Counsel performed in prosecuting the Lawsuit over more than four years, including, but not limited to, interviewing and collecting documents from over one hundred drivers; reviewing thousands of documents related to the Lawsuit, including hundreds of thousands of electronic records; propounding discovery; answering discovery for a substantial number of Class Members; reviewing and analyzing substantial amounts of payment and time related data; drafting, filing, and arguing numerous motions; consulting with experts; and the risk Class Counsel took in bringing the Lawsuit.

At the Fairness Hearing, Class Counsel will also ask for a service payment of \$20,000 each for the two Named Plaintiffs, and for a service payment of \$5,000 each for the five Class Members who participated in discovery (“Discovery Representatives”). The Service Payments are requested because the Named Plaintiffs and Discovery Representatives provided service to the Settlement Class by helping Class Counsel formulate claims and by assisting in bringing the Lawsuit forward, including, but not limited to, helping with fact investigation and responding to interrogatories and document requests. The Service Payments are separate from, and in addition to, the portion of the Settlement Fund that the Named Plaintiffs and Discovery Representatives may receive as Class Members.

#### **4. How can I receive my payment?**

**Because you are automatically a Class Member, you do not need to take any further action to receive a payment.** However, if your address is different from the address to which this Notice was originally sent, or if you move prior to receiving a check, you should contact the Claims Administrator (see Section 9 below) to notify the Claims Administrator of your new address.

#### **5. What am I releasing as a Class Member?**

If the Court grants final approval of the Settlement, the Lawsuit will be dismissed with prejudice, and you will release any and all claims that have accrued, or that were raised, or claims which could have been raised in the Plaintiffs’ Second Amended Complaint (ECF Doc. 373) (collectively “Released Claims”), including any and all Rule 23 Released Claims and any and all FLSA Released Claims, if any, during the Release Period as described more fully in Section 9 of the Settlement Agreement. You can access the full Settlement Agreement online at (insert Claims Administrator’s website domain name).

#### **6. Final approval of the Settlement at the Fairness Hearing**

The Judge presiding over this Lawsuit will conduct a Final Fairness Hearing at XX on XX, 2022 in Courtroom A826 of the Estes Kefauver Federal Building and United States Courthouse, 801 Broadway, Nashville, TN 37203. At the Fairness Hearing, the Judge will decide whether the Settlement is sufficiently fair and reasonable to warrant final court approval. You are not required or expected to attend the Fairness Hearing. However, you are welcome to attend at your own expense. If you plan on attending, please contact Class Counsel (see Section 10 below) so that the Court can be notified to ensure that there is enough space and time, if requested, allotted for you.

## **7. How do I object to the Settlement?**

If you believe the proposed Settlement is unfair or inadequate in any respect, you may object to the Settlement, either personally or through an attorney at your own expense, by mailing a copy of your written objection to the Claims Administrator or by emailing your objection to the Claims Administrator (see Section 9 below for the Claims Administrator's contact information).

All objection(s) to any part of the Settlement must state your name, must be signed by you or your counsel, and set forth your address, telephone number, the last four (4) digits of your social security number or, if you are claiming under a company or corporate name, must include your Federal Employer Identification Number ("FEIN"), and the name of the Action: *John Elmy v. Western Express, Inc.* (Civ. No. 3:17-cv-01199). All objections sent by mail must be postmarked no later than **[XX \*\*30 Days from Mailing\*\*]**. All objections sent by email must be received no later than **[XX \*\*30 Days from Mailing\*\*]**. If you submit a timely objection, you may appear, either personally or through an attorney, at your own expense, at the Final Fairness Hearing discussed above. Your objection should clearly explain why you object to the proposed Settlement and must state whether you or someone on your behalf intends to appear at the Final Fairness Hearing. If you object to the Settlement, Class Counsel will not represent you in your objection.

Any Class Member who does not object in the manner described above shall be deemed to have waived any objections and shall forever be foreclosed from objecting to the fairness and adequacy of the proposed Settlement, the payment of attorneys' fees, service payments, and litigation costs, the claims process, and any and all other aspects of the Settlement. Likewise, as a Class Member, you will be deemed to have released all of the Released Claims against Defendants and be subject to the Release contained in the Settlement Agreement as explained in Section 5 above, and as fully set forth in Section 9 of the Settlement Agreement.

## **8. How do I exclude myself from the Settlement?**

If you **did not** previously opt in to the Fair Labor Standards Act ("FLSA") collective action, you may exclude yourself fully from all portions of the Settlement. If you do so, you will not receive a settlement payment and you will not release any claims you may have against Defendants. If you **did** previously opt in to the FLSA collective action, you may exclude yourself from the Rule 23 portion of the Settlement only. If you do so, you will not receive a settlement payment for your Rule 23 claims and will not release any Rule 23 claims you may have against Defendants. However, you will still receive a settlement payment for your FLSA claims and will release your FLSA claims against Defendants. If you exclude yourself from the Settlement, you cannot object to the Settlement as set forth in Section 7 above.

In order to exclude yourself from all or part of the Settlement as set forth above, you must request to be excluded by mailing a copy of your request to the Claims Administrator, or by emailing your objection to the Claims Administrator (see Section 9 below for the Claims Administrator's contact information).

All requests to be excluded must state your name, must be signed by you, and set forth your address, telephone number, the last four (4) digits of your social security number or, if you are claiming under a company or corporate name, must include your FEIN number, and the name of the Action: *John Elmy v. Western Express, Inc.* (Civ. No. 3:17-cv-01199). All requests to be excluded sent by mail must be postmarked no later than **[XX \*\*30 Days from Mailing\*\*]**. All requests to be excluded sent by email must be received no later than **[XX \*\*30 Days from Mailing\*\*]**. If your request to be excluded is not timely postmarked or received, it may be rejected, and you will be bound by the terms of the Settlement, including the Release contained in the Settlement Agreement as explained in Section 5 above, and as fully set forth in Section 9 of the Settlement Agreement.

## **9. Are there more details about the Settlement? What if I have questions?**

**Yes.** This Notice summarizes the most important aspects of the Settlement. You can access the full Settlement Agreement online at (insert Claims Administrator's website domain name). To obtain further information regarding the Lawsuit and the Settlement, you can call Class Counsel or the Claims Administrator. Class Counsel's contact information is listed below in Section 10 and **the Claim Administrator's contact information is listed in this Section immediately below.** You will not be charged any money for communicating with Class Counsel or the Claims Administrator. All inquiries by Class Members should be directed to Class Counsel or the Claims Administrator. **Do not contact the Court, Judge, Defendants, or Defendants' counsel with inquiries.**

**[SET FORTH IN BOLD PRINT CLAIMS ADMINISTRATOR CONTACT INFO AS PROVIDED BY SSI]**  
**(including mailing address, toll free number, website domain name, etc.)**

#### **10. Do I have an attorney in this case?**

**Yes.** The Court has appointed Getman, Sweeney, & Dunn, PLLC and Swartz Swidler, LLC as "Class Counsel" to represent the interests of Class Members in the Lawsuit. Class Counsel will represent you in the Lawsuit and can answer questions for you regarding the Lawsuit and the Settlement. Class Counsel's contact information is below. You will not be charged any money for Class Counsel's representation of you; rather Class Counsel will be paid out of the class-wide Settlement Fund. If you object to the Settlement, Class Counsel will not represent you in your objections.
